

BRAZIL FINTECH ROADSHOW | SEPTEMBER 17-19, 2018

Your company will benefit from connecting with or investing in Brazil's FinTech sector!

According to Finnovista, Brazil is home to the largest number of FinTech startups in Latin America which is why, **September 17-19, 2018** and in partnership with the U.S. Commercial Service, PHM International will host a certified Trade Mission for U.S. investors, incubators, and FinTech companies in São Paulo, Brazil.

Brazil's 5 largest banks hold 84% of loans.

Experiencing 300% ↑ startup growth in the past two years.

Brazil is #1 in Latin America for money transfers & savings.

Brazil has the 5th largest population in the world, but 40% are unbanked.
