

### CalChamber Vote Record: Major Bills 2012

This report for the second year of the 2011–2012 legislative session focuses on California legislators' floor votes on California Chamber of Commerce priority bills.

This is the 38th vote record the CalChamber has compiled. The CalChamber publishes this report in response to numerous requests by member firms and local chambers of commerce that would like a gauge by which to measure the performance of their legislators.

To help readers assess legislators' vote records, the charts group bills into six areas: economic development, environmental regulation, labor and employment, legal, taxation and workers' compensation.

No vote record can tell the entire story of a legislator's attitude and actions on issues of importance to business. Each year, legislators cast thousands of votes on thousands of proposed laws. To fully evaluate your legislative representative, consult the legislative journals and examine your legislator's votes in committee and on floor issues. You can view these via links at www.calchambervotes.com.

Many anti-business bills were rejected by legislators in policy or fiscal committees, thus stopping proposals before they reached the floor for a vote. The vote record does not capture these votes.

Most bills in this report cover major business bills that are of concern to both small and large companies.

The CalChamber recognizes that there are many bills supported or opposed by business that are not included in this vote record and analysis.

### **Factors Considered**

The CalChamber considers the following factors in selecting vote record bills:

- The bills and votes reflect legislators' attitudes toward private enterprise, fiscal responsibility and the business climate.
  - Each bill was a priority for the

CalChamber in a particular field. Priority bills have appeared in the "Status Report" sections of *Alert*.

- The bills were voted upon by either the full Senate or Assembly. This year the vote record covers 10 votes in the Senate and 11 votes in the Assembly.
- Unless otherwise noted, final floor votes are shown. Concurrence votes and conference report votes are considered final votes.

### When 'Not Voting' Helps

Sometimes a legislator is unwilling to vote against a colleague, but is willing to support the CalChamber's opposition to a bill. In such cases, a legislator may abstain from voting, which will hinder passage of a bill, just as a "no" vote does.

To recognize that not voting can aid the CalChamber's opposition to a bill, the vote record includes the number of times legislators did not vote "aye" on a CalChamber-opposed bill in the total for the column listing actions "in accord with" the CalChamber's position, if the legislator was not absent for the day.

#### **Priority Bills**

Economic Development

• SB 1161 (Padilla; D-Pacoima)
