

# CalChamber Status Update Report on Major Legislation for Business

The following list summarizes top priority bills for the California Chamber of Commerce and their status as of July 1, when the Legislature began its summer recess.

Within each subject area, the list presents bills in order of priority with the highest priorities at the top.

The CalChamber will publish a second status report in September, showing the status of priority legislation when

the Legislature begins its final recess on August 31.

September 30 is the last day for the Governor to sign or veto bills passed by the Legislature on or before September 1.

The CalChamber will publish its final status report, showing the ultimate fate of bills sent to the Governor this year, in October.

Bills signed by the Governor will become law on January 1, 2017. Urgency

and budget-related measures go into effect immediately upon being signed.

Each fall, the CalChamber also publishes a record of legislators' votes on key bills affecting the California business climate. Generally, the bills selected for the vote record have appeared in one of the status reports. This year's vote record is scheduled to be published on October 21.

Federal bills are marked with an \*.

Status of bills as of July 1, 2016. Dates listed are the date the bill was assigned to a committee, the latest date of committee action, the next hearing date or when the bill reached the floor, unless action is stated.

Subject—CalChamber Position	Status
<b>Agriculture, Food and Natural Resources</b>	
<b>Bans Ex Parte.</b> SB 1190 (Jackson; D-Santa Barbara) Interferes with appropriate communication between commissioners and the public and excessive influence by staff by prohibiting communication with commissioners outside of a public meeting. Oppose.	Assembly Appropriations 6/28/16
<b>Lobbyist Employers.</b> AB 2002 (M. Stone; D-Scotts Valley) Increases the costs and complexity of construction projects in the coastal zone by inappropriately requiring project applicants who hire consultants to help with complicated permits to register as lobbyist employers and the consultants to register as lobbyists, subjecting both to Fair Political Practices Commission rules, paperwork and fines for violations. Oppose.	Senate Appropriations Hearing 8/1/16
<b>State-Only Labeling.</b> AB 2725 (Chiu; D-San Francisco) Drives up the cost of food for consumers. Increases the costs to produce food by requiring state-only “Best used by” or “Expires on” labeling and forcing food manufacturers to use coding—bar codes or skews for instance—for internal stock rotation. Oppose.	Failed Passage in Assembly Health 4/12/16; Reconsideration Granted

<b>Education</b>	
<p><b>Increased Innovation and Entrepreneurship.</b> AB 2664 (Irwin; D-Thousand Oaks) Makes it easier to establish a business by requiring the University of California (UC) and Berkeley National Laboratory to expand their capacity and increase access to their innovation and entrepreneurship centers, which provide incubator space, legal services, entrepreneur training and more for researchers and other individuals looking to develop innovative solutions. Support/<b>Job Creator</b>.</p>	Senate Appropriations Hearing 8/1/16
<p><b>Improved School Accountability.</b> AB 2548 (Weber; D-San Diego) Will help employers, parents, educators, lawmakers, and other stakeholders hold schools accountable for student performance and improvement, and ensure students are being adequately prepared to enter the workforce or college, by requiring that the state’s new accountability system tracks sufficient information to allow for meaningful comparisons of schools and districts. Support.</p>	Senate Appropriations 6/29/16
<p><b>Jeopardizes State Workforce Goals.</b> SB 959 (Lara; D-Bell Gardens) Unnecessarily restricts the University of California’s (UC) ability to use its restricted state funding in the most efficient manner possible to continue expanding enrollment without compromising on the quality of the education it provides or substantially increasing the state’s General Fund contribution. Oppose.</p>	Assembly Appropriations 6/29/16
<p><b>Jeopardizes State Workforce Goals.</b> AB 2183 (Gatto; D-Glendale) Makes it harder for the California State University (CSU) system to manage its budget and serve more students at a lower cost to the state by placing unreasonable restrictions on when the CSU may contract for services. Oppose.</p>	Senate Education 6/9/16; Failed Deadline
<p><b>Increases Access to Computer Science.</b> AB 2329 (Bonilla; D-Concord) Ensures that future generations of California students will be better prepared to compete for high-paying, high-skilled jobs in manufacturing, health care, retail, the arts, financial services, agriculture and other sectors that increasingly require computer science skills by requiring the California Department of Education and State Board of Education to develop a coordinated strategy to make computer science curriculum available in every school. Support.</p>	Senate Appropriations Hearing 8/1/16
<p><b>Increases Access to Computer Science.</b> AB 2275 (Dababneh; D-Encino) Ensures that future generations of California students will be better prepared to compete for high-paying, high-skilled jobs in manufacturing, health care, retail, the arts, financial services, agriculture and other sectors that increasingly require computer science skills by expanding the pool of teachers authorized to teach computer science. Support.</p>	Assembly Education 4/12/16; Failed Deadline
<p><b>School District Funding.</b> SB 799 (Hill; D-San Mateo) Modifies the existing school district reserve funds cap law to give districts greater flexibility and restore local control. The current district reserve cap prevents California’s 1,000 school districts from maintaining adequate budget reserves to save for a rainy day or major purchases. Support.</p>	Assembly Education 6/16/16
<p><b>Teacher Recruitment and Quality.</b> AB 1756 (Bonilla; D-Concord) Helps draw new teachers to the profession, put fully trained teachers into our classrooms more quickly, and reduce the amount of debt new teachers have to take on, increasing the value of teacher salaries, by providing one-time funding for postsecondary teacher preparation institutions to develop integrated baccalaureate degree and teaching credential programs. Support.</p>	Held in Senate Education 6/9/16; Failed Deadline
<p><b>Undermines Teacher Quality.</b> AB 575 (O’Donnell; D-Long Beach) Before amendments, made it harder for school districts to prioritize student achievement and provide support to developing teachers by replacing the state’s existing teacher evaluation framework with one that, among other things, would be entirely subject to collective bargaining and take away management’s existing authority to unilaterally establish criteria for measuring student progress and teacher effectiveness. Opposition removed due to June 20, 2016 amendments. No Position.</p>	Senate Appropriations 6/29/16

<b>Increases Education Attainment.</b> AB 1721 (Medina; D-Riverside) Makes community college more affordable and accessible for students by expanding the Cal Grant Program, thereby broadening access to financial aid for students enrolled in community college career technical education programs. Support.	Senate Appropriations 6/29/16
<b>Increases College Access.</b> AB 2787 (Chávez; R-Oceanside) Makes it possible for more students to afford to attend college by expanding eligibility for the Middle Class Scholarship Program to students who choose to attend in-state private colleges and universities. Support.	Failed Passage in Assembly Higher Education 4/19/16; Reconsideration Granted
<b>Teacher Recruitment and Quality.</b> SB 933 (B. Allen; D-Santa Monica) Helps school districts establish and maintain teacher residency programs to recruit, prepare, and retain new teachers by providing matching grants of up to \$30,000 per candidate, per year for three years, helping ensure that all students will have highly qualified teachers in their classrooms. Support.	Assembly Appropriations Suspense File 6/29/16
<b>Increases College Access.</b> AB 1961 (Baker; R-San Ramon) Ensures there is adequate state support for low-income students who choose to attend private colleges and universities by permanently repealing the 11.3% cut planned for Cal Grant awards available to them, and by increasing the maximum award amount for these Cal Grants. Support.	Held in Assembly Appropriations Suspense File 5/27/16; Failed Deadline
<b>Increases Educational Attainment.</b> AB 1892 (Medina; D-Riverside) Helps address the looming shortage of workers with some college experience by fixing the Cal Grant C award amount at \$3,000 rather than leaving it subject to the annual budget act, expanding the ways students can use their Cal Grant C awards, and instructing the California Student Aid Commission to give priority in granting Cal Grant C awards to students pursuing occupational and technical training in industry sectors identified by the California Community College Economic and Workforce Development program to be a high priority. Support.	Held in Assembly Appropriations Suspense File 5/27/16; Failed Deadline
<b>Improves Career Technical Education.</b> SB 66 (Leyva; D-Chino) Helps improve the relevance of Career Technical Education (CTE) courses offered by the state's community colleges by giving the colleges more information about former students to help guide future workforce development policies, and eases administrative burdens for the community colleges by streamlining their reporting and accountability metrics related to workforce and economic development. Support.	Assembly Appropriations 6/28/16
<b>Space Day.</b> SB 1138 (Hueso; D-San Diego) Before amendments, this bill would have had a significant negative impact on both employees and businesses as well as health and public safety by requiring all business, residents and governmental facilities to turn all lights off during a designated hour to commemorate Space Day. Opposition removed due to April 18, 2016 amendments. No Position.	Assembly Consent Calendar 6/30/16
<b>Elections and Fair Political Practices</b>

<b>Energy</b>	
<b>Increases Energy Costs.</b> SB 886 (Pavley; D-Agoura Hills) Increases energy costs and potentially threatens reliability by mandating new energy storage targets and prioritizing energy storage over fossil-based generation. Oppose.	Assembly Appropriations 6/30/16
<b>Jeopardizes Energy Reliability.</b> SB 380 (Pavley; D-Agoura Hills) Jeopardizes energy resources and reliability by placing a moratorium on natural gas storage until all wells in the Aliso Canyon facility have been inspected. Oppose Unless Amended.	Signed 5/10/16—Chapter 14 (Urgency)

Subject—CalChamber Position	Status
<p><b>Attorney-Client Privilege.</b> SB 1049 (Hill; D-San Mateo) Before amendments, would have diminished attorney-client privilege by requiring electrical or gas corporations to allow the California Public Utilities Commission access to privileged documents whether or not they are subject to attorney-client privilege, the attorney work product doctrine. Oppose position removed due to May 27, 2016 amendments. No Position.</p>	<p>Assembly Appropriations 6/30/16</p>
<p><b>Provides Transparency.</b> AB 2066 (Lackey; R-Palmdale) Provides transparency to drivers by including a label on fuel pumps showing the additional cost per gallon for fuels under the cap-and-trade program. Support.</p>	<p>Held in Assembly Appropriations Suspense File 5/27/16; Failed Deadline</p>
<h2 style="color: red;">Environmental Justice</h2>	
<p><b>Barrier to Development.</b> SB 1000 (Leyva; D-Chino) Potentially creates barriers to development by requiring an environmental justice element be included in general plans. Oppose.</p>	<p>Assembly Appropriations 6/30/16</p>
<h2 style="color: red;">Environmental Regulation</h2>	
<p><b>Gas Price Increase.</b> AB 1759 (Bonta; D-Oakland) Jeopardizes the production of California-based fuel by banning the use of hydrogen fluoride and hydrofluoric acid at facilities that use more than 250 gallons and are located within two miles of a residence, notwithstanding the fact that there are significant safety regulations in place at the local, state and federal levels. Oppose/<b>Job Killer</b>.</p>	<p>Assembly Natural Resources 2/18/16</p>
<p><b>Gas Price Increase.</b> AB 1882 (Williams; D-Carpinteria) Jeopardizes the production of California-based fuel by substantially complicating the existing permitting process for the Underground Injection Control program by imposing duplicative requirements and requiring the Division of Oil, Gas and Geothermal Resources to cede aspects of its permitting authority to the regional water quality control board. Oppose/<b>Job Killer</b>.</p>	<p>Held in Assembly Appropriations Suspense File 5/27/16; Failed Deadline</p>
<p><b>Creates Unworkable Hazardous Waste Permitting Process.</b> SB 654 (de León; D-Los Angeles) Discourages investment in upgrading and improving hazardous waste facilities by shutting down hazardous waste facilities if the Department of Toxic Substances Control (DTSC) fails to take final action on the permit renewal application within a specified timeframe, even if the permit applicant acted diligently and in good faith throughout the permit application process. Oppose/<b>2015 Job Killer</b>.</p>	<p>Assembly Inactive File 9/11/15; Failed Deadline</p>
<p><b>Gas Price Increase.</b> AB 2729 (Williams; D-Carpinteria) Before amendments, jeopardized the production of California-based fuel supply and increased costs to the industry by revising the definition of an idle well and requiring permanent closure of 25% of California’s long-term idle wells each year. Opposition and job killer tag removed due to June 1, 2016 amendments. Neutral/<b>Former Job Killer</b>.</p>	<p>Senate Appropriations 6/30/16</p>
<p><b>Increases Environmental Litigation.</b> AB 2748 (Gatto; D-Glendale) Eliminates incentives to settle lawsuits and instead exposes businesses to multiple rounds of litigation at great expense to the parties and the courts by creating statutory prohibitions on “release” clauses in settlements pertaining to “environmental disasters.” Job killer tag removed due to June 2, 2016 amendments, but CalChamber remains opposed. Oppose/<b>Former Job Killer</b>.</p>	<p>Senate Environmental Quality 6/29/16</p>
<p><b>Proposition 26 Violation.</b> AB 1400 (Santiago; D-Los Angeles) Violates Proposition 26 and imposes limitless costs on hazardous waste permit applicants by requiring hazardous waste permit applicants to pay for uncapped “technical assistance grants” for local communities to participate in the hazardous waste permitting process. Oppose.</p>	<p>Senate Environmental Quality 6/22/16; Failed Deadline</p>
<p><b>Increased Costs to Hazardous Waste Permit Operators.</b> AB 1102 (Santiago; D-Los Angeles) Prematurely and unnecessarily imposes substantial new costs on hazardous waste permit applicants by imposing new facility inspection requirements, which must be paid for by the permit applicant, notwithstanding the fact that the Department of Toxic Substances Control is currently reforming its enforcement program on the regulatory level, including promulgating a more robust inspection process. Oppose.</p>	<p>Senate Environmental Quality 6/23/16</p>

Subject—CalChamber Position	Status
<p><b>Increased Costs to Hazardous Waste Permit Operators.</b> AB 1205 (Gomez; D-Los Angeles) Imposes unnecessary and substantial new costs on hazardous waste permit applicants by requiring hazardous waste permit applicants to pay for a public hearing within 90 days of the submittal of a hazardous waste renewal application, notwithstanding the fact that current regulations and the California Environmental Quality Act already provide for multiple opportunities for public hearings. Oppose.</p>	<p>Senate Environmental Quality 6/21/16</p>
<p><b>Creates Business Uncertainty.</b> SB 1387 (de León; D-Los Angeles) Creates uncertainty for businesses in the South Coast Air Quality Management District (SCAQMD) by allowing the California Air Resources Board to modify local market-based incentive programs and shifts local control to state control by adding three additional state-appointed positions to the SCAQMD. Oppose.</p>	<p>Assembly Appropriations 6/28/16</p>
<p><b>Increased Civil Violations on Oil and Gas Operators.</b> AB 2756 (Thurmond; D-Richmond) Before amendments, allowed the Oil and Gas Supervisor to impose civil penalties for violations by oil and gas operators well in excess of the current \$25,000 statutory limit for each violation. Opposition removed due to June 1, 2016 amendments. No Position.</p>	<p>Senate Appropriations 6/29/16</p>
<p><b>Unnecessary Recycling Program.</b> AB 2153 (C. Garcia; D-Bell Gardens) Before amendments, disrupted the nearly 100 percent success rate of a well-established and proven lead acid battery recycling program in California by overhauling the current system and creating a new and unnecessary recycling program governed by a nonprofit agency. Opposition removed due to June 1, 2016 amendments. No Position.</p>	<p>Senate Environmental Quality 6/9/16</p>
<p><b>Increased Permit Processing Costs.</b> AB 2794 (Santiago; D-Los Angeles) Before amendments, significantly increased the costs of recycling, landfills, and other critical waste facilities by eliminating permit applicants' option to be charged a flat permitting fee and instead giving the Department of Toxics Substances Control carte blanche to charge whatever fee it determines, notwithstanding well-recognized and self-acknowledged deficiencies in DTSC's current permitting program that have resulted in excessive delays in permit processing. (See related item under Budget.) Opposition removed due to April 5, 2016 amendments. No Position.</p>	<p>Held in Assembly Appropriations Suspense File 5/27/16; Failed Deadline</p>
<p><b>Compromises Oil Spill Response Program.</b> SB 1083 (B. Allen; D-Santa Monica) Before amendments, prevented operators from complying with their statutory duties to meet best management practices for oil spill prevention by prohibiting personnel from a responsible party from participating in various activities required of the Unified Command in the event of an oil spill. Opposition removed due to April 28, 2016 amendments. Neutral.</p>	<p>Held in Senate Appropriations Suspense File 5/27/16; Failed Deadline</p>
<p><b>Creates Infeasible Motor Oil Mandate.</b> SB 778 (B. Allen; D-Santa Monica) Creates an upheaval in the California motor oil marketplace, limiting consumer choice and forcing California motorists to spend more of their disposable income on motor oil by greatly constraining the range of motor oil products currently available for gasoline and diesel engines used in passenger cars and light duty trucks. Oppose.</p>	<p>Assembly Appropriations 6/28/16</p>
<p><b>Health</b></p>	
<p><b>Well-Crafted Managed Care Organization (MCO) Proposal.</b> SBX2 2 (E. Hernandez; D-West Covina) Preserves critical funding for the state's Medi-Cal program, which is critical for the health care delivery system, without undermining the affordability of commercial health care purchased by employers, families, and individuals. Support.</p>	<p>Signed 3/1/16—Chapter 2, Second Extraordinary Session</p>
<p><b>Publicly Shames Employers.</b> AB 2467 (Gomez; D-Los Angeles) Seeks to blame hospital executive compensation for rising health care costs and shame hospitals by requiring them to post a hospital executive compensation report online covering each executive making over \$300,000 a year, and exposes hospitals to unjustified and time-consuming audits, investigations, and wage discrimination claims that will drive up health care costs. Oppose.</p>	<p>Failed Passage in Assembly 6/2/16</p>
