

Leverage Growing Business Opportunities in Taipei and Taichung

Taiwan has become one of the world's fastest growing economies over the past several decades, thanks to its favorable economic policies and proximity to the ASEAN economies. With a gross domestic product (GDP) of \$1.075 trillion in 2014, Taiwan's economy is the 20th largest in the world by purchasing power parity (PPP), making it extremely important for international investment, commerce, and supply chain activities.

SFAsia is conducting a three-day roadshow December 10-12 in Taipei and Taichung, Taiwan. Participating delegates conclude deals for boosting two-way investment and trade between Taiwan and San Francisco, California.

Industrial sector focus:

- Cybersecurity
- Internet of Things (IoT)
- Advanced Manufacturing

Why attend?

- Bespoke B2B matchmaking
- Attend global business forums to meet with key industry leaders
- Customized industrial site visits, including networking opportunities and introductions
- Opportunity to highlight company to key investors through pitch sessions and events
- U.S. Dept. of Commerce Gold Key activities (upon request)

The SFAsia Roadshow provides a customizable vehicle from which to gain market insights, leverage the San Francisco brand for your business interests while exploring the opportunities of this Asian market. Delegates will participate in business forums, network with Asian investors, join site visits and learn about the nuances of doing business in Taiwan.
