

REQUEST FOR EXPRESSION OF INTEREST (EOI)

The **Transport and Engineering Company (TRENCO)** is in the tire production business and is fully owned by the **Chemical Industries Holding Company (CIHC)** which is one of eight holding companies under the umbrella of the **Egyptian Ministry of Public Business enterprises**.

TRENCO has a 20% market share of the Tractor Tires business in 5 sizes which may be boosted through adding facilities to produce 10 more sizes. **TRENCO** also has a new production line for radial tires. **TRENCO** is currently operating through a plant located in Somouha which is a distinct residential area in Alexandria. **CIHC** is planning to move the new operation to an industrial land plot in Amreya; 30 Kilometers from the current plot.

CIHC is looking for an International / Regional investor to go in partnership with **TRENCO** in a new **SPV** to be established using the Amreya land and the equipment to be moved from the current plant. The partner should have a solid know-how in the tire production business and affiliation with a global player. The partner will have a principal role in decisions regarding revamping / selection of new lines and the Operation / Management of the **SPV** for at least 3 years of operation.

CIHC is inviting qualified investors to express interest in the **SPV**. The expression of interest letter should be on the official Letter head and should have the following as attachments:

- Experience in the tire production / trading business.
- Affiliation with a global player.
- Financial statements for the last 3 years.
