**CHANGES EMPLOYMENT CLASSIFICATION RULES FOR APP-BASED TRANSPORTATION AND DELIVERY DRIVERS. INITIATIVE STATUTE.**

*Summary Date: 01/02/20 | Circulation Deadline: 06/30/20 | Signatures Required: 623,212  
Proponent(s): Sarah Steck, Elliott Petty | [Official Top Funders List](#)*

Establishes different criteria for determining whether app-based transportation (rideshare) and delivery drivers are "employees" or "independent contractors." Independent contractors are not entitled to certain state-law protections afforded employees—including minimum wage, overtime, unemployment insurance, and workers' compensation. Instead, companies with independent contractor drivers will be required to provide specified alternative benefits,

including: minimum compensation and healthcare subsidies based on engaged driving time, vehicle insurance, safety training, and sexual harassment policies. Restricts local regulation of app-based drivers; criminalizes impersonation of such drivers; requires background checks. ([19-0026A1](#))

Prohibits clinics from discriminating against patients based on the source of payment for care. ([19-0025A1](#).)

### **Proposition 24**

**1879. (19-0021A1)**

**AMENDS CONSUMER PRIVACY LAWS. INITIATIVE STATUTE.**

Proponent(s): Alastair Mactaggart

Changes criteria for which businesses must comply with these laws. Prohibits businesses' retention of personal information for longer than reasonably necessary. Triples maximum penalties for violations concerning consumers under age 16. Establishes California Privacy Protection Agency to enforce and implement consumer privacy laws, and impose administrative fines. Requires adoption of substantive regulations. ([19-0021A1](#).)

### **Proposition 25**

**1856. (18-0009)**

*Summary Date: 09/10/18 | Final Random Sample: [01/16/2019](#) | Signatures Required: 365,880*  
Proponents: Thomas W. Hiltachk

If this petition is signed by the required number of registered voters and timely filed, a referendum will be placed on the next statewide ballot requiring a majority of voters to approve a 2018 state law before it can take effect. The 2018 law replaces the money bail system with a system for pretrial release from jail based on a determination of public safety or flight risk, and limits pretrial detention for most misdemeanors. Summary Date: 12/02/19 | Circulation Deadline: 06/01/20 | Signatures Required: 623,212

Proponent(s): Scott Olsen, Nelson A. Moreno, Bree Lynn Moreno

In medical negligence cases, adjusts for inflation: (1) \$250,000 limit established in 1975 on quality-of-life and survivor damages (which include pain and suffering); and (2) contingent attorney’s fees limits established in 1987. In cases involving death or permanent injury, allows judge or jury to exceed these limits and requires judge to award attorney’s fees. Requires attorneys filing medical negligence cases to certify reasonable basis for claims or good faith attempt to obtain medical opinion; attorneys who file meritless lawsuits must pay defendant’s expenses. #### **ALLOWS FOR JURY TRIALS IN CHILD-CUSTODY AND DEPENDENT-CHILD DETERMINATIONS. INITIATIVE STATUTE.**

Summary Date: 03/04/20 | Circulation Deadline: 08/31/20 | Signatures Required: 623,212

Proponent(s): Wylmina Hettinga, Stephen D. Konhoff

Gives parties in child-custody matters the right to demand that a jury, rather than a judge, determine who receives legal custody of the child. Prohibits the judge from rejecting a jury's joint-child-custody decision. Provides that findings in dependent-child proceedings, in which a juvenile may be declared a dependent of the court, can be made by a judge or jury. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local governments: Unknown ongoing net fiscal impact on state courts that would depend significantly on (1) how the measure is interpreted and implemented by the courts and (2) how individuals respond to the ability to demand a jury trial in child custody and juvenile dependency jurisdictional hearings. Potential ongoing increase in county costs that could reach the low millions of dollars annually related to juvenile dependency jurisdictional cases — some or all of which could be shifted to the state. **REQUIRES VOTE ON WHETHER CALIFORNIA SHOULD BECOME A SEPARATE COUNTRY. INITIATIVE STATUTE.**

*Summary Date: 09/09/20 | Circulation Deadline: 03/08/21 | Signatures Required: 623,212*  
Proponent(s): Marcus Ruiz Evans

Places question of whether California should leave the United States on a future ballot. Treats result of such future vote as a vote of no confidence in the United States and an expression of the electorate's desire for California to be an independent country if: (1) 50 percent of registered voters participate in election; and (2) 55 percent of those voting approve. Creates commission to evaluate and report on California's current ability to govern itself independently, and California's future economic and political viability as an independent country. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local governments: **Around \$1 million in added state costs for a new state commission on national sovereignty and independence. Potential state and local election administration costs in the tens of millions of dollars to ask voters to respond to a question on independence. Unknown, potentially major, fiscal effects if California voters approved changes to the state's relationship with the United States at a future election after the approval of this measure. Proponent(s): Aaron Agenbroad, Jaime Rojas, Beilal Mohamad-Ali Chatila | [Official Top Funders List](#)

If the required number of registered voters sign this petition and the petition is timely filed, there will be a referendum challenging a 2020 law on the next statewide ballot after the November 3, 2020 general election. The challenged law prohibits the retail sale of certain flavored tobacco products and tobacco flavor enhancers. The referendum would require a majority of voters to approve the 2020 state law before it can take effect. (20-0003.)
