**To: President & CEO of the Chamber
and Association of Commerce and
Industry of California**

Dear Sir/ Madam,

Please find attached for your kind attention the information on the Ukrainian Farming Enterprise "Gadz" (www.fg-gadz.com.ua), which specializes in fruit cultivation.

The farming enterprise "Gadz" was established in October 20, 2011. Between 2012 and 2016, more than 600 hectares of orchard were planted with seedlings grown in Europe. In the future, it is planned to increase the area of the orchard to 2,5 thousand hectares, in addition a laid nestorium of fruit trees with an area of 50 hectares. Production of 1 million seedlings is planned annually.

The elements of the technology are the use of dwarf rootstocks, new productive varieties, drip irrigation and garden maintenance on a tapestry. The main varieties of apple trees are: Gala, Red Chiff, Golden Delicious, Red John Prince, Idared, Fuji, Champion, as well as other intensive varieties; Pear - Conference, Plum - Stanley.

In 2013, the farm was put into operation a fruit storage facility, and in 2015 a modern refrigeration and sorting complex with a total area of 5250 m² was constructed, in which sorter li ne Sorter company is located, allowing to sort the apple by caliber, color and weight.

During the 2018-2019 season, "Gadz" became the leader among the Ukrainian companies in exporting apples to the European countries and the Middle East and Asia.

Currently "Gadz" company is searching for a trade partners in the United States of America. In this regard I would kindly request your valuable support and assistance in extension of the information on "Gadz" Farming Enterprise among business leaders of your Chamber/Association, who might be interested in establishing of a partnership relationship with mentioned Ukrainian enterprise.
