RE: COVID – 19 BUSINESS RECOVERY STRATEGY: EXPORT OPPORTUNITIES FOR KENYA'S GOODS AND SERVICES

The Consulate General of Kenya in Los Angeles wishes to acknowledge and appreciate the work California Chamber of Commerce is doing especially during this turbulent time of covid-19 pandemic.

The flow of information on updates of activities and events and how they affect how we do business now and in post covid-19 has been very helpful in enhancing our working relationship in the area of trade and investment opportunities.

It is to this end that the Consulate would like to request for your further support in disseminating information on Kenyan goods and services to members and networks under California Chamber of Commerce both in California and the United States as a whole.

The following are goods that Kenya has current export capacity during this pandemic period.
