

Stockholm February 28, 2023

As president of KTH Royal Institute of Technology in Stockholm, it is my pleasure to invite you to an exciting high-level event we are hosting May 8-9 in San Francisco.

This two-day engagement will involve presentations and discussions focused on challenges and opportunities of mutual concern.

We are looking forward to interactive discussions around the following subjects: *The Growing Impact of Climate Change on Energy Systems, Life Science, Digital Transformation, Innovation Landscapes in Stockholm and Silicon Valley, Security in a Geopolitically Challenging World, and Food Technology.*

Dates: May 8-9, 2023

Time: (Day 1) noon to 7 p.m.; (Day 2) 9 a.m. to noon

Location: San Francisco (venue to be confirmed)

Registration link: <https://axacoair.se/go?i8xu4UTc>

What to expect

- High level keynote sessions
- Presentations with the latest research from: Einride, Ericsson, Vinnova – Sweden’s Innovation Agency, and participating universities
- Roundtable discussions
- Networking opportunities with peers

Featured speakers and presenters include

- Mr. Peter Roos, CEO Novatron Fusion Group
- Dr. Christofer Laurell, Senior Vice President, Research and Public Affairs at Einride
- Mrs. Barbro Osher, Honorary Consul of Sweden, Honorary Consulate of Sweden in San Francisco, philanthropist and Chair of the Bernard Osher Foundation
- Dr. Maria Brogren, Science Counselor at Embassy of Sweden in Washington, DC

“The Stockholm Model - Creating Sustainable Impact for Society through Collaboration and Innovation” is arranged in collaboration with the Embassy of Sweden in Washington D.C., the Honorary Consulate of Sweden in San Francisco, and Vinnova – Sweden’s Innovation Agency, and in partnership with the City of Stockholm.

With Best Regards

Anders Söderholm
President KTH Royal Institute of Technology
