Mobility

Join the California Pavilion at Hannover Messe.

California Pavilion

- Company turnkey space within a California-branded exhibition booth
- Located within Hannover Messe's Energy 4.0 Hall 12
- Aisle-facing booth space
- Space is limited to 6 California small businesses
- STEP eligible companies will be able to exhibit at a significantly discounted rate

REGISTER INTEREST HERE

- The GO-Biz team will contact interested companies to discuss the next steps for joining the California Pavilion at Hannover Messe once the application period has opened.
- For more information on STEP and program eligibility, click [here](#).

This opportunity is funded in part through a Cooperative Agreement with the U.S. Small Business Administration.
