

California Chamber Vote Record on Major Business Legislation for 2001

This report for the first year of the 2001-02 legislative session focuses on California legislators' floor votes on bills of high priority to the California Chamber.

This is the 26th vote record the Chamber has compiled. The Chamber publishes this report in response to numerous requests by member firms and local chambers of commerce that would like a gauge by which to measure their legislator's performance.

Partial Picture

No vote record can tell the entire story of a legislator's attitude and actions on issues important to business, including labor issues, overregulation, taxes and the environment. Each year, legislators cast thousands of votes on thousands of proposed laws. To fully evaluate your legislative representative, consult the legislative journals and examine your legislator's votes in committee and on floor issues. You can view these on the legislative counsel's website at www.leginfo.ca.gov.

Most bills in this report cover major business issues that are of great concern to both large and small companies.

If a chapter number is listed after the summary of floor action on the bill, the bill has been signed by the Governor and will become law on January 1, 2002, unless it is an urgency measure or tax levy. Numbering of chaptered bills begins again each year.

The Chamber recognizes that there are many bills supported or opposed by business that are not included in this vote record and analysis.

Factors Considered

The Chamber considered the following factors in selecting bills for the vote record:

- The bills and votes reflect legislators' attitudes toward private enterprise, fiscal responsibility and the business climate.

- Each bill was a priority for the Chamber in a particular field. Priority bills appeared in the "Status Report" sections of *Alert*.

- The bills were voted upon on the floor of either the Senate or the Assembly. This year the vote record covers 13

votes in the Assembly and 14 votes in the Senate.

- Unless otherwise noted, final floor votes are shown. Concurrence votes and conference report votes are considered final votes.

When "Not Voting" Helps

Sometimes a legislator is unwilling to vote against a colleague, but is willing to support the Chamber's opposition to a bill. In such cases, a legislator may abstain from voting, which will hinder passage of a bill, just as a "no" vote does. To recognize that not voting can aid the Chamber's opposition to a bill, the vote record includes a column tallying the number of times legislators did not vote "aye" on a Chamber-opposed bill. The "not voting" tally is included in the total

for the column listing actions "in accord with" the Chamber's position.

Priority Bills

SB 11 (Escutia) Confidentiality Settlements. Greatly limits confidential settlements to resolve lawsuits. This will lead to more litigation and longer trials. Passed Senate June 6, 21-16. On Assembly Floor September 10. Chamber opposed.

SB 20 (Alarcón) Janitorial and Maintenance Workers - Compelled Employment. Unreasonably eliminates one side of the "at-will" employment relationship at the expense of the other. SB 40 (Alarcón) Unemployment Insurance Benefit Increase. Requires the state Unemployment Trust Fund to pay out an additional \$4.6 billion over the next four years by increasing the UI weekly benefit

by 95 percent; creates new ability for part-time workers to collect UI and does not contain any streamlining reforms to mitigate the economic impact. Passed Assembly September 14, 50-30. Senate concurred in Assembly amendments September 14, 23-13. Chapter 409. Chamber opposed.

SB 71 (Burton) Workers' Compensation. Increases workers' compensation benefits by \$3.6 billion without offsetting reforms. Passed Assembly September 5, 50-29. Senate concurred in Assembly amendments. September 6, 25-13. Vetoed. Chamber opposed.

SB 975 (Alarcón) Prevailing Wage. Seriously threatens economic development and job growth by making private commercial and residential projects subject to prevailing wage if they receive any

consideration by state or local government. Passed Assembly September 4, 51-29. Senate concurred in Assembly amendments. September 6, 22-15. Chapter 938. Chamber opposed.

SB 1XX (Soto) Windfall Profit Tax. Creates a disincentive to new energy generation by imposing a windfall profits tax on power generators. Passed Senate May 17, 23-12. Failed Assembly September 13 30-30. Chamber opposed.

AB 36 (Steinberg) Confidentiality Settlements. Greatly limits confidential settlements to resolve lawsuits. This will lead to more litigation and longer trials. Passed Assembly June 7, 41-4. In Senate Rules. Chamber opposed.

Chamber Heads for Economic Summit

California Chamber President Allan Zaremberg and members of the Chamber Board are among the state leaders invited to participate in an economic summit called by the Governor this week.

In his letter of invitation to the November 2 gathering, the Governor said his goal is to produce a "frank and stimulating exchange of ideas to

create and sustain economic growth in California."

The invitation-only summit is being co-hosted by Michael Eisner of the Walt Disney Company and Walter Shorenstein of the Shorenstein Group.

A report on the summit will appear on the Chamber's website at www.calchamber.com.

California Chamber: Best Business Votes

Legislators are listed in descending order according to how often they voted in accord with the California Chamber's position (first number) versus how often their votes were not in accordance with the Chamber's position (second number) in 2001. Total votes may not match the vote record because the tally for absent/not voting on a Chamber-supported bill is not included in this list.
